Profile Summary

- Final-year B.Tech (Computer Science & Engineering) student at Dayananda Sagar University.
- Strong foundation in Java, Data Structures & Algorithms (DSA), and Object-Oriented Programming (OOP)
- Hands-on experience in full-stack web development and secure application design and good understanding of databases and backend systems

Education

Dayananda Sagar University (DSU) <i>B.Tech (CSE), CGPA: 6.83</i>	Nov 2022 – Jun 2026 <i>Bangalore, India</i>
DAV Public School <i>CBSE (Science) – 84.2%</i>	May 2021 <i>Hazaribagh, Jharkhand</i>
DAV Public School <i>CBSE – 74%</i>	May 2019 <i>Hazaribagh, Jharkhand</i>

Skills

- **Programming:** Java, Python, C, C++, JavaScript
- **Web Technologies:** HTML, CSS, React
- **Backend & Databases:** Node.js, SQL, REST APIs

Projects

RAILMADAD AI – Intelligent Grievance Redressal System (Next.js, Prisma, NextAuth, Tailwind CSS)

- Developed a full-stack quiz platform using the T3 stack (Next.js, Prisma, NextAuth, Tailwind CSS) supporting both MCQ and open-ended quiz formats.
- Implemented real-time answer validation for open-ended questions using a string similarity algorithm to enhance grading accuracy.
- Integrated secure authentication, dynamic game session management, and a clean UI/UX to ensure a seamless and engaging user experience.

NFT MarketPlace (Blockchain, Smart Contracts, Web3 Tools)

- Contributed to the development and deployment of a blockchain-based NFT platform.
- Assisted in smart contract deployment and digital asset integration.
- Supported community engagement and explored new NFT application use cases.

CloudCat – Library Management System (Java / Python, SQL, Web Technologies)

- Developed a library management system to automate book cataloging and borrower tracking.
- Implemented CRUD operations for books and users with advanced search functionality.
- Reduced manual record handling through database-driven workflows.

Extracurricular

Problem Solving | Team Collaboration | Quick Learner | Analytical Thinking

Certifications

Google Analytics Certification
Springboard – Linux Fundamentals
Deloitte – Technology Job Simulation
